16. Terms and Conditions:

- a. The operator shall comply with applicable state minimum standards set forth in Title 14, Division 7, Chapter 3.1 (commencing with Section 17850) of the California Code of Regulations.
- b. The operator shall comply with all mitigation and monitoring measures developed in accordance with a certified environmental document filed pursuant to Public Resources Code Section 21081.6.
- c. The operator shall maintain a copy of this standardized permit at the facility to be available at all times to facility, enforcement agency, or board personnel.
- d. The operator shall maintain and make available for inspection by the enforcement agency and board all correspondence and reports provided to other regulatory agencies that have jurisdiction over the facility.
- e. The operator shall be responsible for identifying the types of feedstocks accepted for processing.
- f. The design capacity of 6,000 cubic-yards of material undergoing the composting process shall not be exceeded. This requirement does not include on-site storage of feedstock or stabilized compost.
- g. Additional clarifying information concerning the design and operation of the composting facility shall be furnished upon written request of the enforcement agency, or the board.
- h. The operator shall notify the enforcement agency, in writing, within thirty (30) days of receipt of the test results, of any noncompliance with Sections 17868.2 and 17868.3 of Chapter 3.1, Division 7, Title 14, of the California Code of Regulations.
- i. Unless specifically permitted or allowed under Title 14, Division 7, Chapter 3.1 of the California Code of Regulations, the facility shall not accept the following materials:
  - (1) Designated wastes as defined in Title 23, Chapter 15, Section 2522 of the California Code of Regulations
  - (2) Hot Ashes/Burning materials
  - (3) Medical wastes as defined in Section 25023.2 of the Health & Safety Code
  - (4) Hazardous Wastes as defined in Section 25117 of the Health & Safety Code
  - (5) Liquid Wastes as defined in Title 23, Chapter 15, Section 2601 of the California Code of Regulations (unless approved by RWQCB and the enforcement agency)
- j. The following activities are prohibited:
  - (1) Scavenging
  - (2) Salvaging
  - (3) Discharge of wastes off-site
  - (4) Vector propagation or harborage
- k. The facility, if located outside of a city, shall be maintained in compliance with the flammable clearance provisions, pursuant to Public Resources Code Section 44151.
